s480
alfie

01

The s480 alfie bench is a freestanding, soft-seating range comprising single, double and triple seat units with various backrest options.

Designed in-house, the alfie bench has a minimalist aesthetic, accentuating the subtle curves of the rounded upholstery, whilst sitting on a durable powder coated steel frame.

This versatile collection can be used in a wide range of contract environments, including offices, public spaces, retail, museum and gallery settings.

Designed by Matthew Lovell
