Banquette seating guide

Welcome to mrfdesign, we design and manufacture banquette seating

mrfdesign are experienced banquette and booth seating designers and manufacturers, working with you and your architects to supply relaxed seating environments with durable furniture. Whether your interior calls for a semi-circular booth, facetted or curved seating, a straight run of benching or diner booths, we have a wide choice of seating styles, fabrics and plinth finishes.

Our Banquette Seating experience extends to Offices, Colleges and Universities, Hotels, Restaurants, Bars and the Hospitality Industry - from firmer upright dinerstyles to luxurious deep soft seating we can design and manufacture a bespoke seating arrangement just for you.

Our Banquette Seating ranges are suitable across the hospitality, office and education sectors.

mrfdesign focus on contemporary style and elegance with a robustness that will last:

- Restaurant booth seating
- Agile office seating
- Hotel reception areas
- Educational collaborative learning spaces
- Relaxing bar areas

More than likely, we've had similar experiences on other projects that we can draw on to assist with your furniture enquiry.

specialist sector banquette seating

mrfdesign have installed bespoke booth seating in prestigious office developments across the UK. End users range from financial institutions, media and digital marketing companies utilizing shared workspaces with the benefits of working in the expanding serviced office environment.

We have completed Banquette and Booth seating projects for a wide range of clients and sectors, such as: Rocketfuel, Runway East, Tagwright, Gocardless, Blackhawk, Zopa and Headspace. Contract upholstery designed for collaborative, work lounge and reception areas to create friendlier and more inviting working environments to improve team communication, motivation and productivity.

Whether you are designing a brand new banquette or booth seating environment for your hotel, bar or restaurant; seating for the agile office environment or collaborative learning spaces, we have the experience to ensure that your booth seating is engineered to be practical for use whilst exquisite in design. We'll happily guide you through consideration of the design from the basic upholstered plain seat with low back to enhanced detailing such as deep and shallow buttoning, stitching details, quilted pattern or deep fluting. Your staff and customers cannot fail to be impressed by your Banquette or Booth Seating, from the practical to the flamboyant, utilitarian to vintage cool designs, we can advise you on the best way to achieve your vision.

Talk to us about your project by calling 01922 403555 or view banquette seating page on our website.

Designed for the banquette and booth seating market, our furniture is manufactured to the highest standards:

- Durable construction and carefully selected fabrics fit for purpose
- Contemporary furniture design with timeless appeal
- Hardwood and birch plywood frame construction for hard wearing contract use
- Combustion Modified High Resilience (CMHR) foams for contract seating
- Elasticated webbing or serpentine spring seat suspensions
- Quality upholstery by skilled craftsmen
- Design and manufacture work together for a high quality outcome

We are well versed in using an array of materials ranging from upholstery, formed plywood, timber frames, tubular steel and toughened glass making sure your furniture investment not only looks good but stands the test of time.

Our design and manufacturing experience, skill in crafting a unique furniture solution for your environment along with the flexibility of furniture ranges and service makes mrfdesign the Banquette and Booth seating supplier of choice.
